About the Host

This year the run will be hosted by The City of Marianna and the Marianna Professional Firefighters.

About the Cause

We are hosting this 5K challenge to raise money to donate to a project called the "Warrior Beach Retreat", which is a retreat for wounded veterans and their spouse or caregiver. They bring in wounded vets and their caregivers from all over to give them a week to relax, give them hope to carry on, and know that their sacrifice was not in vain. This retreat is located in Panama City Beach, and is organized by former Marianna residents, Phillip and Linda Cope.
