- Subject:** Solar Project – Waste Water Facility
Florida Department of Environmental Protection (FDEP)
State Revolving Fund (SRF)
Loan Agreement with Principle Forgiveness- DW320240
Resolution 2018-11 Authorizing
- Subject Background:** The City Commission authorized City Staff to apply for funding thru FDEP to study the benefits and feasibility of developing a solar farm to operate both the Waste Water Treatment Plant (WWTP) and the Spray Field.
- The City’s Plan was approved by FDEP and the City has been selected for funding for the design of the project. The total amount of funds for design \$376,693, FDEP presented the City with a Grant / Loan Agreement for review and approval. In conjunction the City is required by FDEP to approve a Resolution authorizing Application and Pledge of revenues.
- Recommendation:** City Staff and the City Attorney have reviewed the Agreement and find it to be acceptable. It is recommended to approve the Agreement with FDEP.
- Potential Motion:** I move to approve the Agreement and authorize the City to execute the Agreement and Approve Resolution 2018-11.
