INSTRUCTIONS FOR COMPLETING PROJECT SPONSOR'S PROFESSIONAL SERVICES PROCUREMENT CERTIFICATION

The purpose of the Project Sponsor's Professional Services Procurement Certification is to certify that the professional services procured comply with the Competitive Consultants Negotiation Act. This form must be submitted prior to the disbursement of the funds involving professional services associated with this project.

The Project Sponsor's authorized representative must complete this form.

Please provide the name of the Project Sponsor, project name, SRF project number, name of the professional services vendor and the date the professional services were procured.

Please certify that the identified professional services vendor procurement complies with the Competitive Consultants Negotiation Act by signing the form and including the typed name and title of the Project Sponsor's representative.

This form will be used by the State of Florida's SRF program to document compliance with the Competitive Consultants Negotiation Act.
