COMMISSION AGENDA MEMO
June 4, 2019

ADMINISTRATIVE STAFF REPORT

- Subject:** Proposed Resolution No. 2019-21
- Subject Background:** The FDOT is proposing utility adjustments in conjunction with construction of the K-8 school to consist of signalization improvements at the intersection of State Road-166 (Caverns Rd.)/Russell Rd./Old Greenwood Hwy.
- Detail:** The FDOT is willing to pay to have the city facilities relocated, if necessary, in order to prevent conflict with the FDOT Project #2208769. Therefore, the proposed use of the land will require subordination by the City to FDOT.
- Recommendation:** I recommend the City Commission adopt Resolution No. 2019-21 in order to successfully accomplish utility adjustments if needed.
- Potential Motion:** I move to adopt proposed Resolution No. 2019-21 subject to review by the City Attorney.
