Subject: 2019-2020 fiscal year CRA recommended funded projects:

Subject Background: In June, 1993, the City of Marianna adopted a Community Redevelopment Plan and created a Community Redevelopment Agency. Additionally, the City established a Redevelopment Trust Fund pursuant to Section 163.387, Florida Statutes.

For planning purposes, the Marianna Main Street Board was asked by the City Staff to identify potential projects to be funded in the CRA for the 2019 – 2020 fiscal year.

In the August 21, 2019 Main Street Board Meeting, a list of potential CRA projects were discussed, approved and recommended for the 2018-2019 fiscal year. They are as follows:

1. Funded at \$55,000 for the year
2. Business Façade Improvement/Demolition Grant – \$7,500 façade improvement per business owner; \$3,250 demolition per business – Cap at \$45,000. This will be a 50/50 match.
3. Additional Stop Signs/Street Signs – Expand as much as possible on the South side of Highway 90 (Madison to Caledonia).

Recommendation: The Main Street Board of Directors recommends these projects for approval for 2019-2020 CRA funding.

Potential Motion: I move the City approve the proposed CRA projects in the order presented by the Main Street Board of Directors.
