

**CITY OF MARIANNA
COMMISSION AGENDA MEMO
REGULAR MEETING
February 2, 2021**

ITEM # _____

ADMINISTRATIVE STAFF REPORT

Subject: Agreement Between City and Engineer
Amendment #1
Waste Water Treatment Plant (WWTP) Upgrade
State Revolving Fund (SRF) Project

Subject Background: The City has authorized award of the proposal to upgrade the City’s WWTP, increasing capacity of the Plant. This project is funded by Florida Department of Environmental Protection SRF with a grant and loan.

Mott MacDonald and the City entered into an Agreement for Engineering Services in September of 2019. It is proposed to incorporate CEI services into the Contract with Amendment #1.

Recommendation: The SRF staff in Tallahassee have reviewed the Amendment and found it acceptable. The City Attorney and Staff have reviewed the Amendment. Staff is recommending approval by the City Commission to approve Amendment #1 to the current Contract with Mott MacDonald.

Potential Motion: I move to approve the recommendation.
