

**CITY OF MARIANNA
COMMISSION AGENDA MEMO
REGULAR MEETING
February 2, 2021**

ITEM # _____

ADMINISTRATIVE STAFF REPORT

Subject: Airport Access Road Construction Project
Airport Industrial Park Dr. Resurface Project
Change Order #2

Subject Background: The City was awarded funding from FDOT to construct a new access road at the new self service fuel site adjacent to the Airport Terminal.

As a result of unforeseen circumstances the electrical service to the fuel farm needs to be re-located and an existing water needs to be caped.

Recommendation: The City's Engineer, AVCON, has reviewed and is recommending the proposed Change Order for the changes above but does not recommend additional time for the project.

Potential Motion: I move to approve the recommendation.
