ADMINISTRATIVE STAFF REPORT

Subject: Street Overlay Project

Subject Background: Cost estimates have been obtained in order overlay all of Dial St. and a portion of Pearl St. (from Caledonia St. to Borden St.). The scope of work generally includes: clean, tack coat and pave with 50 lbs. of leveling course and provide a one-inch SP-9.5 asphalt cap, along with utility adjustments if needed. .

A single cost estimate was obtained and provided by Baxter’s Asphalt & Concrete, Inc., using our continuing infrastructure contract as approved by the City Commission on August 20, 2019.

Cost estimates were obtained as follows:

Dial St.
Baxter’s Asphalt & Concrete, Inc. _____ \$43,460.00

Pearl St. (Caledonia St. to Borden St.)
Baxter’s Asphalt & Concrete, Inc. _____ \$33,300.00

Pearl Street segment is ranked # 67 on the Road Priority List prepared by Hatch Mott MacDonald in 2009/2010, and was mentioned by the Commission for discussion purposes at the February 2, 2021 meeting.

Funds will be taken from the street tax discretionary fund.

Recommendation: Approval to allow Baxter’s Asphalt & Concrete, Inc., to proceed with street overlay project in an amount not to exceed \$76,760.00.

Potential Motion: I move to allow Baxter’s Asphalt & Concrete, Inc., to proceed with street repair project in an amount not to exceed \$76,760.00.
