TO: Mr. Jim Dean, City Manager

FROM: Tyler Scarborough, Captain

REF: Employee of the Quarter Nomination

Mr. Dean,

Our department, collectively, would like to nominate Officer Triston Arroyo for Employee of the Quarter for the period of January-March 2021. Officer Arroyo has been employed with the department since July 2018. Officer Arroyo is an outstanding employee who carries himself in a very professional manner which reflects a positive light on the police department and the entire city. Within the past quarter, Officer Arroyo has been involved in extremely traumatizing calls for service. During those times, Officer Arroyo showed great judgement as well as remained calm while attending to the traumatized individuals. The police department is fortunate to have an employee like Officer Triston Arroyo.

Sincerely,

A handwritten signature in black ink that reads "Capt. Tyler Scarborough". The signature is written in a cursive style.

Tyler Scarborough, Captain
