ADMINISTRATIVE STAFF REPORT

Subject: Interlocal Agreement – Jackson County
Extend Six Cents Local Option Fuel Tax

Subject Background: For over 30 years the 6th Cents Local Option Fuel Tax has been in place for Jackson County. Based on formula established in Florida Statutes the City of Marianna receives a portion of the Gas Tax collected.

In order to receive a portion of the Tax the City formally execute certain documents which results in the City receiving the Tax, such as the attached Interlocal Agreement.

Recommendation: City Staff and the City Attorney have reviewed the Interlocal Agreement and find it acceptable. It is recommended the City Commission approve and sign the Interlocal Agreement For Extension of Six Cents Local Option Fuel Tax.
