

**CITY OF MARIANNA
COMMISSION AGENDA MEMO
February 1, 2022**

ADMINISTRATIVE STAFF REPORT

Subject: Firefighter Annual Physical and Fitness Evaluation

Subject Background: The Fire Department is requesting to contract with LifeScan Wellness Centers. LifeScan Wellness Centers would provide Annual Physical and Fitness Evaluations compliance with NFPA 1582. Currently we contract with Jackson Hospital for annual physicals, however Lifescan Wellness specializes in Firefighter Health and Wellness and provides many more services than are available at Jackson Hospital. These physical are especially important when it comes to Florida’s Cancer Bill for Firefighters. The RFP for the City of Clearwater is attached. The Fire Department would contract the service at the City of Clearwater RFP #51-20 price.

Recommendation: I recommend the authorization to contract with LifeScan Wellness Centers and piggyback off of the City of Clearwaters RFP#51-20.

Potential Motion: I move to approve the recommendation.
