**ADMINISTRATIVE STAFF REPORT**

**Subject:** Underground Utility Line Locator Purchase

**Subject Background:** The Public Works Department is proposing the purchase of a radio detection utility line locator to be utilized in the water/wastewater division. This expense is capital outlay item with \$10,000.00 available in the approved FY 21/22 budget. Staff has acquired three (3) quotes as follows:

Green Equipment Company	\$ 8,684.00
RJM Precision Instruments	\$10,450.00
Advanced Infrastructure Technologies	\$10,450.00

**Recommendation:** Staff recommends approval of the purchase from Green Equipment Company in the amount of \$8,684.00.

**Potential Motion:** I move to approve the recommendation.
