

CITY OF MARIANNA
COMMISSION AGENDA MEMO
REGULAR MEETING
MARCH 1, 2022

ADMINISTRATIVE STAFF REPORT

Subject: Recreation Commission
Appointment of Members

Subject Background: The City of Marianna Code under Article I, Section 42-1 establishes a City advisory body known as the city recreation commission.

The advisory body has not been active for extended period of time and many of the old members when contacted are no longer interested in participating because they no longer have children that participate in activities at the **MERE**.

The Recreation Director has interviewed many parents that have children that have participated in activities at the MERE and has identified five (5) persons that would like to participate as a board member to the Recreation Commission.

Recommendation: City staff is recommending 5 members be appointed to the Recreation Commission in accordance with City Code and begin meeting as soon as possible. The proposed members are:

Hunter Nolen
Howard Hodge
Clint Brock
Heather Cantler
Rhondon Gray

Potential Motion: I move to approve the recommendation.
