

City of Marianna
Airport Commerce Park Board Regular Meeting
December 15, 2021
1:30 PM

The regular Airport Commerce Park Board Meeting was held on the above date and time. Present at the meeting was James Hart and Jim King. There were not enough members to have a quorum. On behalf of the City, City Manager Jim Dean, Public Works Director Clay Wells and Airport Manager Douglas Glass. On behalf of the Jackson County Chamber Tiffany Garling. On behalf of AVCON, John Collins.

The minutes from the September 15, 2021 meeting, airport financial reports and fuel sales will be reviewed at a later meeting. No further questions or comments were discussed.

Under other business, the operating schedule for the Airport was opened for discussion. Mr. Glass explained due to staffing and the self-serve fueling station operational the decision to close weekends would be in the best interest of the Airport. No further questions or comments were discussed.

Government fuel contract was opened for discussion. The Airport was awarded the Government fuel contract as well as several other contracts through World Fuel. The contracts through World Fuel promote the Airport and offer incentives to pilots. No further questions or comments were discussed.

Joint Education & Pilot Training with Chipola College was opened for discussion. Jackson County Chamber and Economic Development is working with Chipola College to create a flight training program for pilots. More to be discussed at the next meeting. No further questions or comments were discussed.

Mr. John Collins updated the Board on the Fuel Farm project and General Aviation Apron Rehabilitation projects. No further questions or comments were discussed.

There being no further business the meeting was adjourned.
