

CITY OF MARIANNA  
COMMISSION AGENDA MEMO  
REGULAR MEETING  
May 3, 2022

ADMINISTRATIVE STAFF REPORT

**Subject:** July 3, 2022 Fire Works Display  
Proposed Contract Kynex Inc.

**Subject Background:** The City of Marianna thru Main Street Marianna and the Jackson County Chamber have worked to secure a fireworks display for this year July 4<sup>th</sup> event to be held July 3<sup>rd</sup>.

The only vender that was willing to commit to do the display on July 3<sup>rd</sup> was Kynex Inc. The proposed cost is \$20,000. The company requires half of the funds now and the other half the day of the event.

Main Street and the Chamber believe that \$5,000 can be raised in donations as part of the event, and the City has approximately \$2,000 left over from the July 2021 event which will be used for this year's event.

**Recommendation:** It is recommended the City Commission approve the proposed Agreement and terms with Kynex Inc. and provide the deposit to the company for the July 4<sup>th</sup> event.

**Potential Motion:** I move to approve Resolution 2022-018.
