

**CITY OF MARIANNA**  
**COMMISSION AGENDA MEMO**  
**May 3, 2022**

**ADMINISTRATIVE STAFF REPORT**

**Subject:** Purchase twenty-nine fluted black aluminum street poles with new street signs and stop signs for thirteen intersections in the City of Marianna Community Redevelopment Area (CRA)

**Subject Background:** The Public Works Department obtained a quote from Capital StreetsScapes for the purchase of new street signs and poles. The new street poles and sign project is an identified 2021-2022 CRA project to enhance the CRA downtown area. This is a sole-source purchase as these poles and street signs will match the street poles and signs that were previously purchased from Capital StreetScapes in 2018, 2020 and 2021. The street sign poles will be placed north of Hwy 90 along Borden Street from Noland Street to Broad Street as well as south of Hwy 90 on Franklin Street from Madison Street to Green Street. This project is funded 100% with CRA Funds.

**Recommendation:** I recommend the authorization of \$16,928.00 for the purchase of new street poles with street signs and stop signs to be placed within the CRA downtown area.

**Potential Motion:** I move to approve the recommendation.

**Prepared by:** Jim Dean, City Manager      **Approved for agenda by:**
