

CITY OF MARIANNA  
COMMISSION AGENDA MEMO  
REGULAR MEETING  
May 3, 2022

ADMINISTRATIVE STAFF REPORT

**Subject:** American Rescue Plan Act (ARPA)  
Declaration of Lost Revenue  
Resolution 2022-019

**Subject Background:** As a result of COVID-19 the US Government passed two Acts to assist States and Local Governments with Economic Recovery. The most recent ARPA had a provision which allows local governments to declare funding as Lost Revenue, if the amount was for \$10 million or less.

By declaring the funding from US Treasury to the City of Marianna it will offer the City of Marianna the most flexibility in the use of the funds.

**Recommendation:** Based on review of the US Treasury Final Rule as well as all information and documentation provided by the US Treasury it is recommended the City Commission approve Resolution 2022-019 declaring funding received as a result ARPA Lost Revenue.

**Potential Motion:** I move to approve Resolution 2022-019.
