

CITY OF MARIANNA
COMMISSION AGENDA MEMO
REGULAR MEETING
May 3, 2022

ADMINISTRATIVE STAFF REPORT

**Subject: Marianna Housing Assistance Program (MHAP)
Request One Time Exception**

Subject Background: The City of Marianna in 2020 passed the MHAP, authorizing funding from COVID-19 funds be used to assist with housing in the City of Marianna, with a focus on City of Marianna Employees.

The City has its first application and proposed home ready to proceed. The home will be built by the North Florida Long Term Recovery group.

Recommendation: Due to building cost and other factors beyond control of applicant additional funds in the amount of \$5,000 are needed. It is recommended the City Commission approve a one-time authorization to exceed the assistance level, by this amount.

Potential Motion: I move to approve the recommendation.
