Subject: Proposed Ordinance No. 2022-1133 - SECOND  
READING Event Ordinance

Subject Background: The City of Marianna on multiple occasions has been required to manage large events that have posed potential safety concerns.

In order to assist the City with the ability to manage events that have the potential to cause safety concerns it is proposed the City enact an ordinance to establish guidelines for such events by passing an event ordinance.

Recommendation: City Attorney has drafted the ordinance and the Police Department has reviewed and determined it will assist with managing future events. It is recommended the Commission authorize staff to advertise the ordinance and schedule the second hearing.

Potential Motion: I move to approve the recommendation.
