

**CITY OF MARIANNA
COMMISSION AGENDA MEMO
SPECIAL MEETING
July 19th, 2022**

ADMINISTRATIVE STAFF REPORT

- Subject:** Purchase of TruNarc Handheld Narcotics Analyzer
- Subject Background:** The Marianna Police Department has received a grant from the Florida Department of Law Enforcement in the amount of \$25,231.00 towards the purchase of a handheld narcotics analyzer. This analyzer will allow the police department to test suspected narcotics without being exposed to the narcotics or removing it from its original packaging. The police department has received two quotes for a handheld narcotics analyzer. A third distributor was contacted but advised they could not provide a quote. The lowest quote obtained was from Thermo Fisher Scientific in the amount of \$27,645.97. The total amount owed by the police department, \$2,414.97 will be deducted from the Police Protection Services Account within the police department budget.
- Thermo Fisher Scientific - \$27,645.97
Advanced Covert Technology- \$28,514.00
Federal Resources- Advised they could not provide quote due to Thermo Fisher Scientific being Sole Source by Thermo Fisher Scientific in Florida.
- Recommendation:** It is recommended the City approve the purchase of the TruNarc Handheld Narcotics Analyzer.
- Potential Motion:** I move to approve the proposed purchase of the purchase of the TruNarc Handheld Narcotics Analyzer from Thermo Fisher Scientific in the amount of \$27,645.97.
