Mr. Wells

I'm recommending that Sean Livingston be considered for the Employee of the Quarter. His work is done with the highest amount of pride and professionalism.

When you travel a city street and look how detail oriented it is you immediately know that Sean been on that street.

His Job Knowledge and Skills are commendable. His ability to work independently and positive attitude in accomplishing assigned task is beyond measure.

I deem him to be an asset to the City of Marianna.

Your consideration in this matter will be highly appreciated.
