ITEM # _____

ADMINISTRATIVE STAFF REPORT

Subject: FDEP In-Kind Proposal/Pump Repair

Subject Background: On October 17th, 2022 a Short Form Consent Order was presented to the City of Marianna by FDEP. The Consent Order was signed by the City of Marianna on November 2nd, 2022. It is the intent of the City to utilize “in-kind” projects to meet its obligation. The value of the in-kind penalty project is required to be at least \$22,885.38.

City Staff recommended two (2) pumps to be purchased for City Lift Stations to FDEP and they have excepted the proposal as it was presented.

The two (2) lift stations are as follows and quotes have been provided for each site.

F.C.I. Lift Station:	AAG Electric	\$14,333.00
	Gulf Coast Pump	\$17,135.00
	J.H.Wright	\$14,966.22

Skate Town Station	Hydra Service	\$11,775.17
	AAG	\$14,042.02
	Gulf Coast Pump	N/A

Recommendation: City Staff recommends to award bid to lowest bid for each Site:

F.C.I. Lift Station	AAG Electric	\$14,333.00
Skate Town Lift Station	Hydra Service	\$11,775.17

Potential Motion: I move to approve purchases for pump replacement at F.C.I. Lift Station and Skate Town Lift Station as recommended by City Staff.
