Police Care is For You.

POLICE CARE is a service provided by the Marianna Police Department.

The mission of **POLICE CARE** is to make sure city residents living alone have daily contact with a friendly member of the Marianna Police

Department staff to ensure all is well with them.

POLICE CARE is provided as a **NO COST** service to keep our citizens, who are alone, or handicapped, regardless of age, race, creed, or nationality, in contact with Someone daily.

We Invite You To Participate

To become a member of **POLICE CARE**, just return the attached form to the Marianna Police Department, or simply give us a call and a Police Officer will come by and pick up the information to put on file.

Upon receipt of your registration form, we will consider you a member of **POLICE CARE**, and will notify you of the same.

From then on, **you must call the Marianna Police Department daily between the hours of 6:00 am and 12:00 noon to advise us that you are okay.**

In the event you do not call, we will call your home.

If no answer, we will send an officer by to check on you.
